Creating of practical's, marking and weekly mentor sessions.

SKILLS

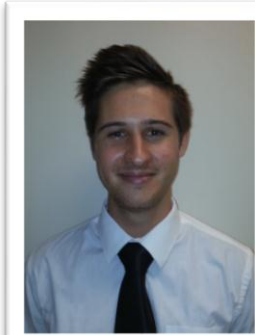

☐ Web Development:

- ☐ HTML
- ☐ CSS
- ☐ JavaScript and AJAX
- ☐ PHP
- ☐ XML
- ☐ XHTML
- ☐ jQuery

☐ Development Languages

- ☐ SQL (Microsoft SQL Server)
- ☐ C++
- ☐ C
- ☐ C#
- ☐ Java

Christo Brits

0795721671
cbrits@live.com

OBJECTIVES

To become a System Developer or Information Security Officer of a company. To obtain my private pilot license after I graduate from the University of Pretoria.

FIELD OF STUDY

BSc IT specializing in Software Development

EXPERIENCE

COS 121 Tutor | University of Pretoria

29/11/12 - 14/01/13

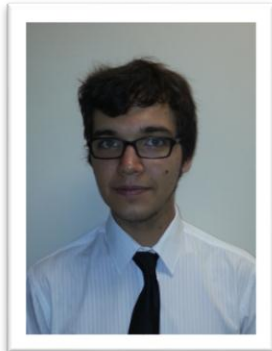

I set up the weekly practical and marked it.

I had mentor sessions, where I went through the work step by step with students in helping them understand the theory and how to implement it practically.

SKILLS

- ☐ I have the hardware and software knowledge of desktops and laptops to set them up.
- ☐ Able to set up large networks.
- ☐ Can use Microsoft office without problems.
- ☐ I have a working understanding of these programming languages: C, C++, C#, Java.
- ☐ I have a working understanding of creating websites and setting up and managing a computer server and database.
- ☐ I have a working understanding of developing Android applications.
- ☐ I have a working understanding of editing media data, like pictures, movies and sound clips.

Christopher David Crossman
